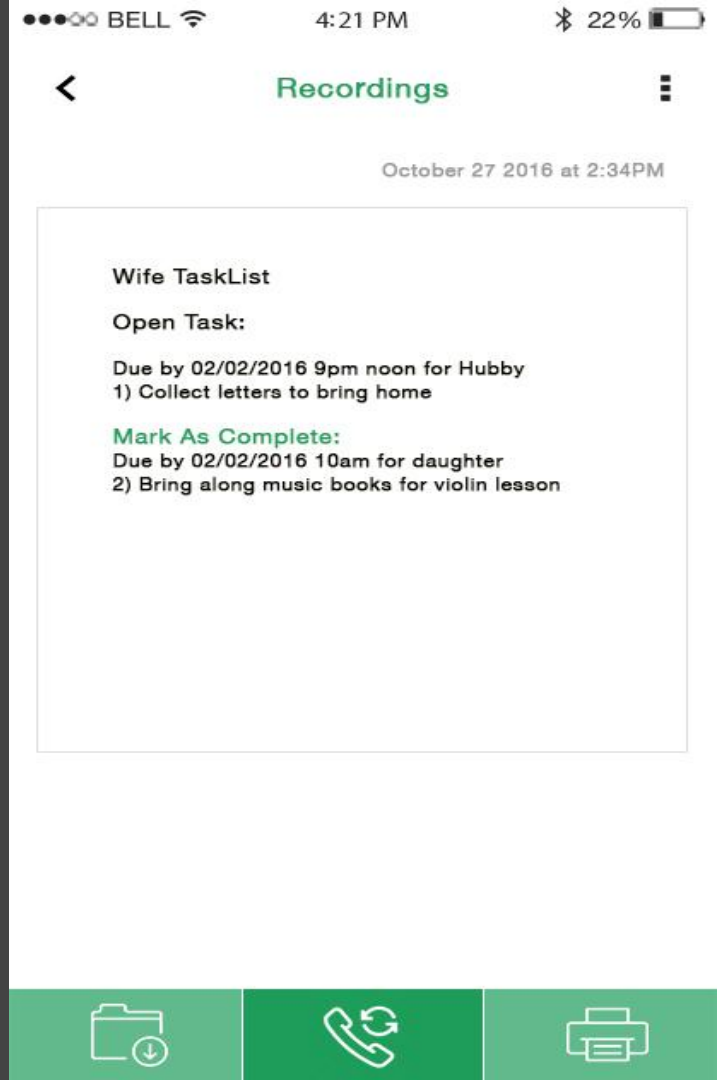
Open Task:
Listings under building construction authority to create data entry for these contractors under the leads for their contact, name, email, specialise forte key the listing from A to D by end of tomorrow
Completed task

Wife

Today October 27, 2016

2:10PM

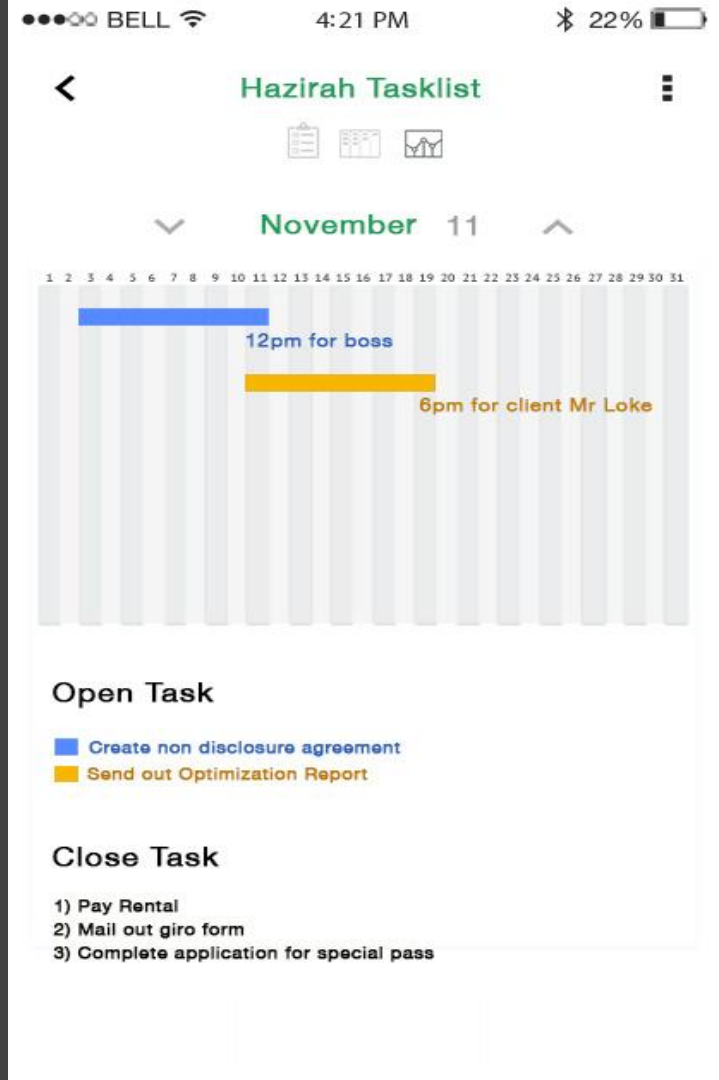
Me: Open up the letter box and put the letters on my table. I need it by tonight.



Gantt Chart

Hazirah Tasklist.

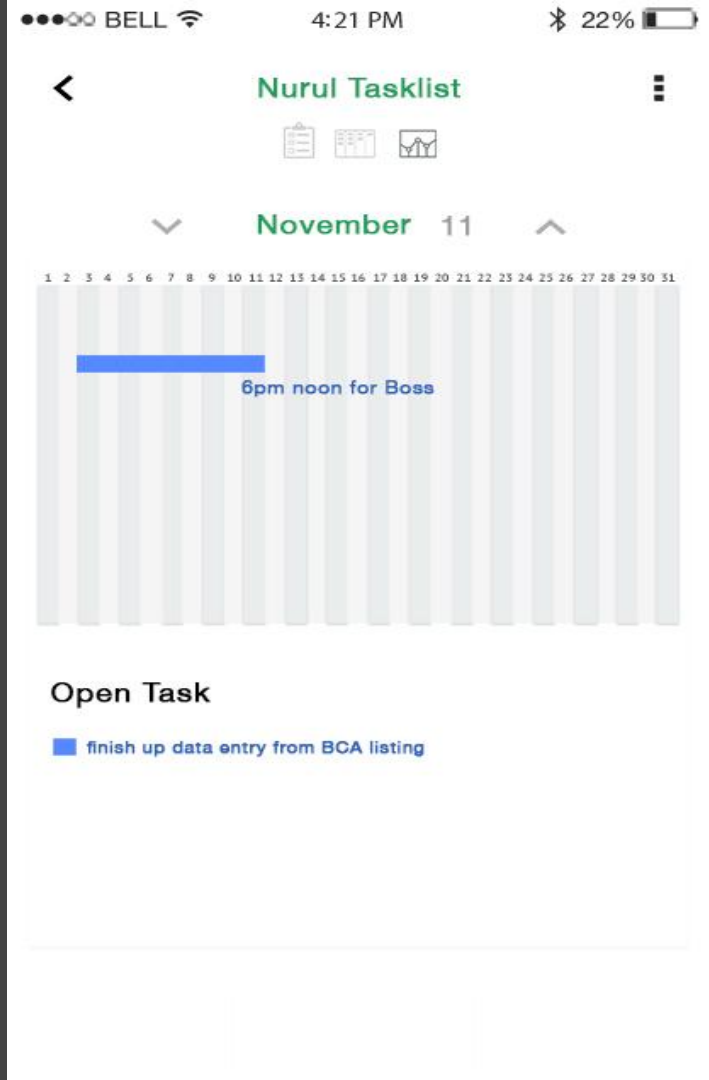
All the individual recordings will go to general page and finally generate to a kanban overview.



Gantt Chart

Nurul's Tasklist.

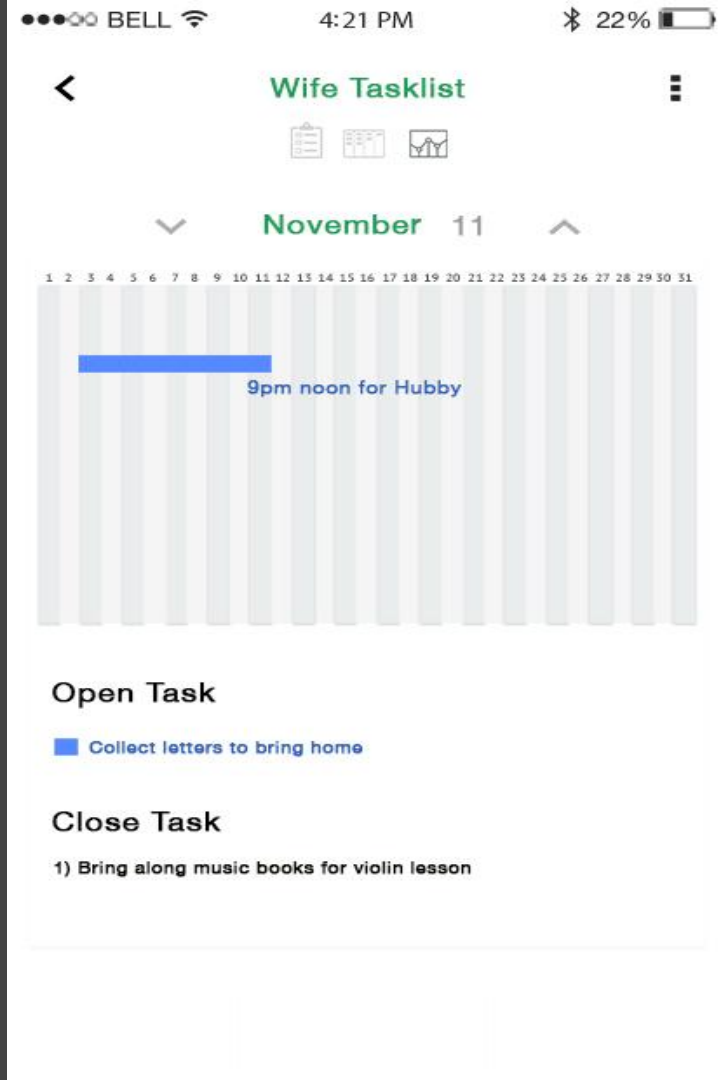
All the individual recordings will go to general page and finally generate to a kanban overview.



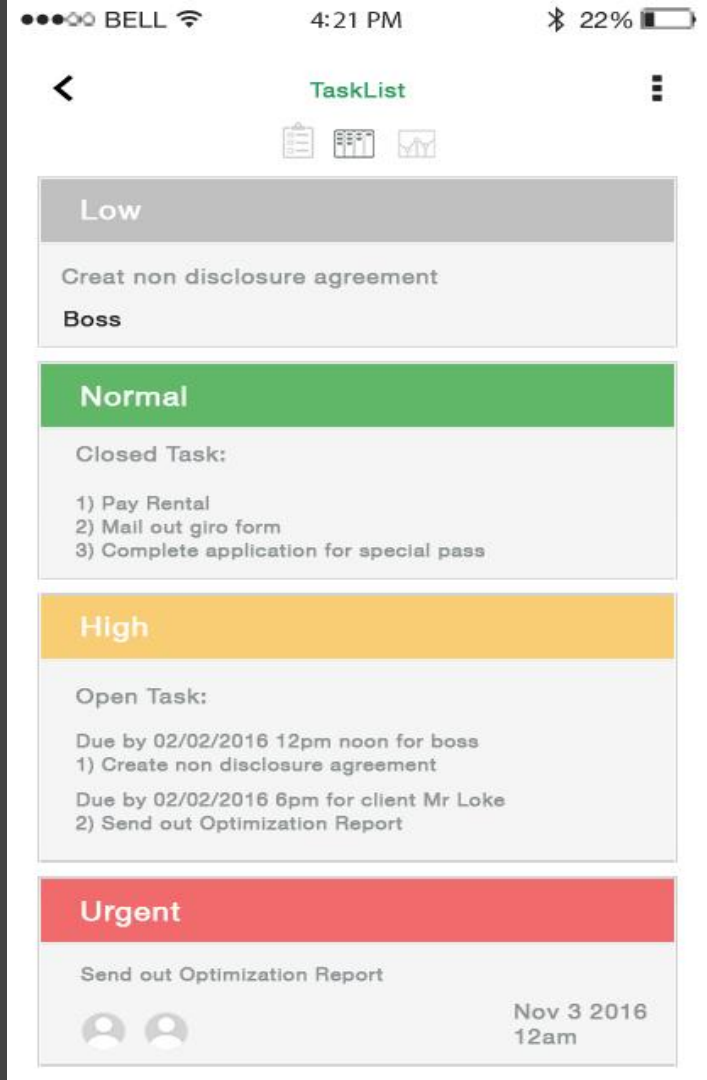
Gantt Chart

Wife's Tasklist.

All the individual recordings will go to general page and finally generate to a kanban overview.



Kanban

My view.


And this will reflect how it looks like on my view. Records all 3 call and generate in a overview.
