PROJECT CONVO

Me: we will be shooting a variety show. First touch of pre production will be on 1st nov. Please update the workflow.

Jones(Pre production in charge): our location manager have checked the location site and it's good to go. Director as discussed, will be Josh.

Smith(production in charge): production side for control room and camera still pending. My camera operator, Katerine will update on both once approval is passed.

Romeo(post production in charge): latest song record has some error, i'll get my composer Julius, to change the recording.

Publicist still on pending.

me: ok, jones due will be 6th. follow by smith and romeo, 23rd and 29th of dec.
